Change Summary

0 Critical	11 Significant	0 Minor	0 Review	6 Views compared
---------------	-------------------	------------	-------------	---------------------

List of Changes

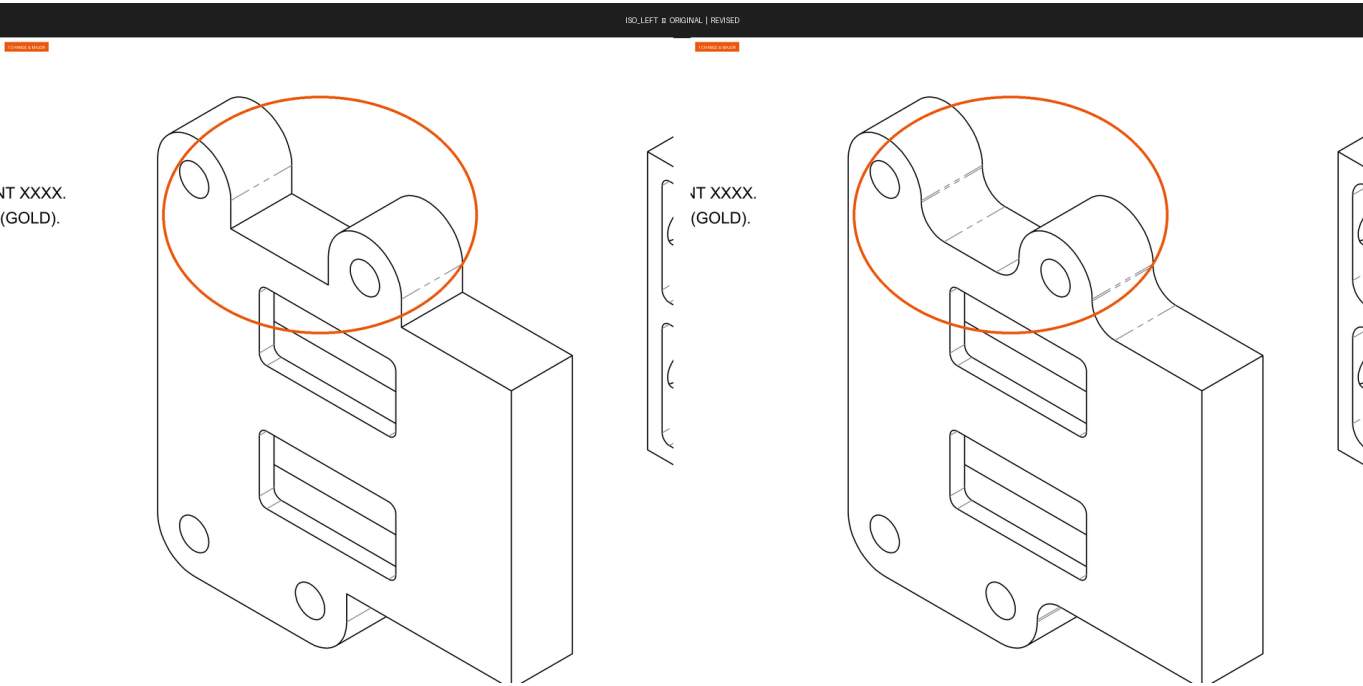

title_block [TITLE_BLOCK]

#	Component / Area	Description of Change
title_block.revision changed from 'TS' to None	title_block.revision changed from 'TS' to None	title_block.revision changed from 'TS' to None

revision_block [REVISION_BLOCK]

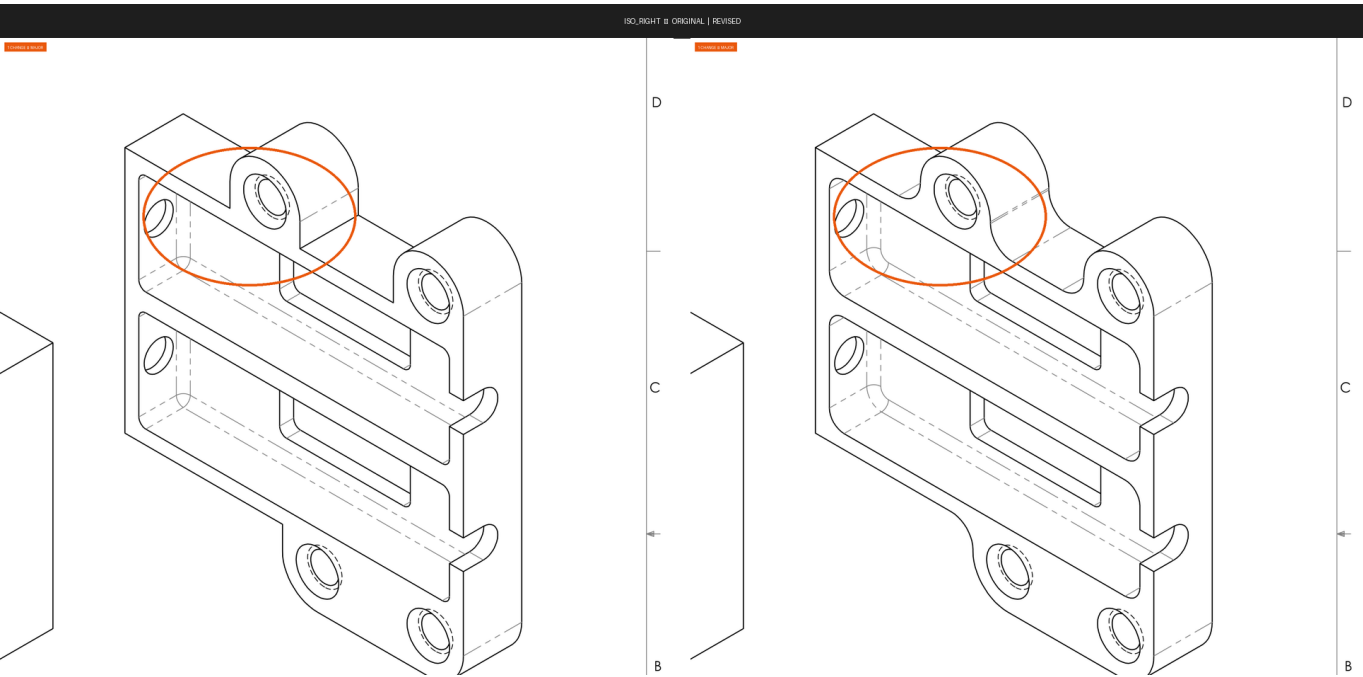

No textual changes recorded for this view.

ISO_LEFT [MATCHED]

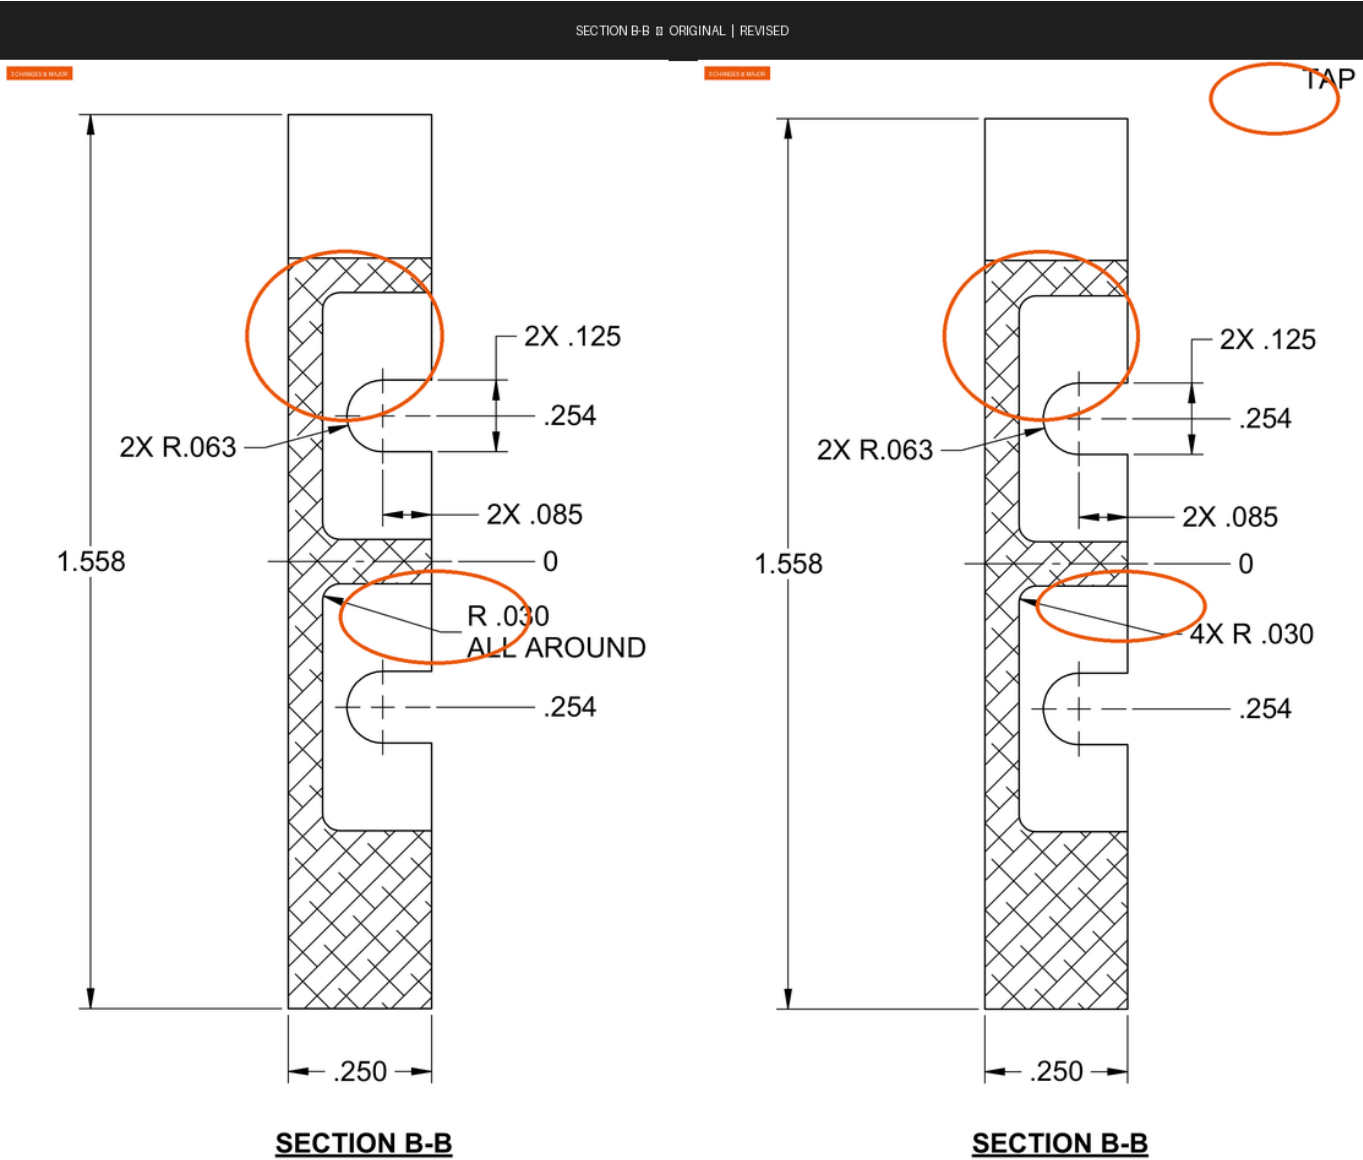

#	Component / Area	Description of Change
The upper hinge bridge geometry changed from a flat-topped rectangular profile to a curved radiused profile.	The upper hinge bridge geometry changed from a flat-topped rectangular profile to a curved radiused profile.	The upper hinge bridge geometry changed from a flat-topped rectangular profile to a curved radiused profile.

ISO_RIGHT [MATCHED]

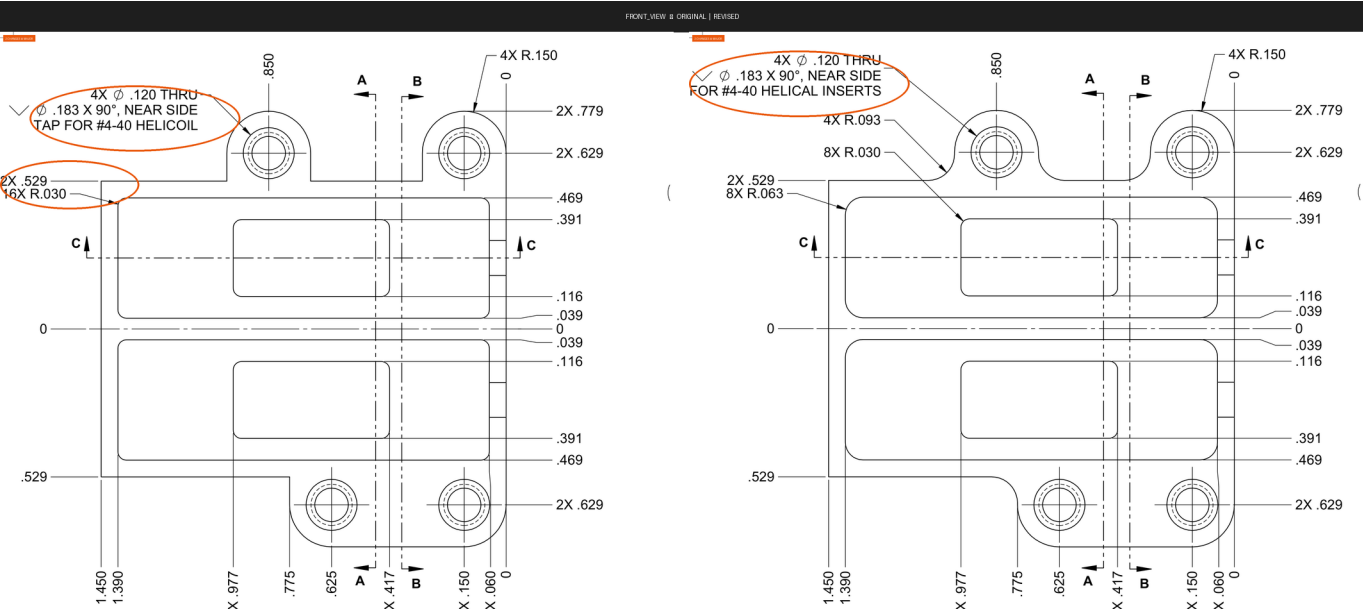

#	Component / Area	Description of Change
A raised step feature on the upper-left top face is removed in the revised drawing.	A raised step feature on the upper-left top face is removed in the revised drawing.	A raised step feature on the upper-left top face is removed in the revised drawing.

SECTION B-B [MATCHED]

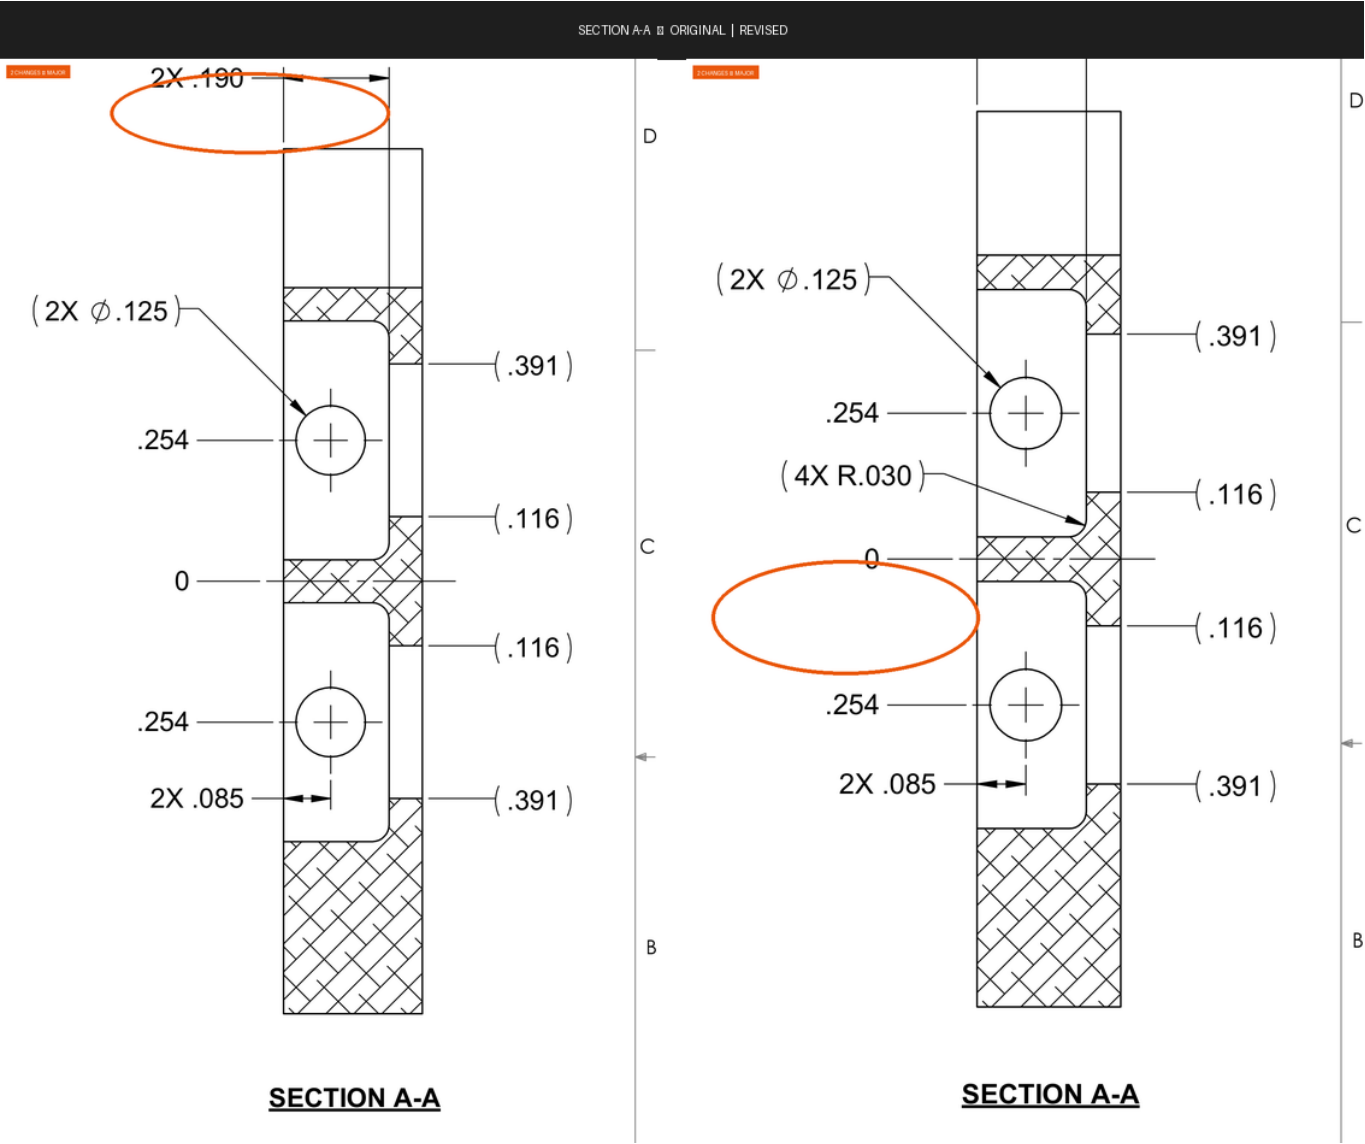

#	Component / Area	Description of Change
Radius callout changed from 'ALL AROUND' to '4X R .030' specifying discrete count instead of continuous application.	Radius callout changed from 'ALL AROUND' to '4X R .030' specifying discrete count instead of continuous application.	Radius callout changed from 'ALL AROUND' to '4X R .030' specifying discrete count instead of continuous application.
New 'TAP' annotation added in upper-right corner of the revised view.	New 'TAP' annotation added in upper-right corner of the revised view.	New 'TAP' annotation added in upper-right corner of the revised view.
Upper slot top corners appear changed from rounded to square in the revised drawing.	Upper slot top corners appear changed from rounded to square in the revised drawing.	Upper slot top corners appear changed from rounded to square in the revised drawing.

FRONT_VIEW [MATCHED]

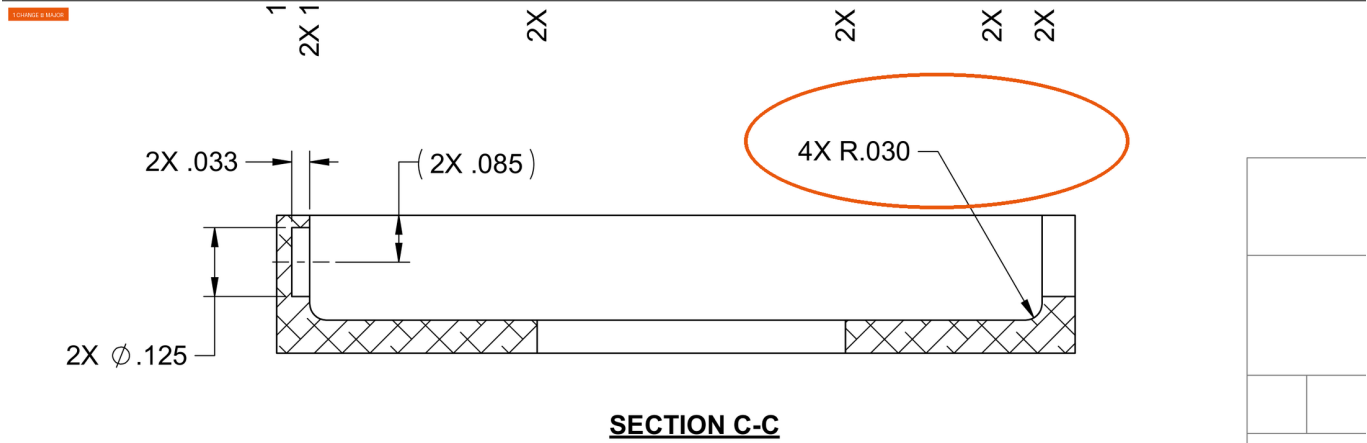

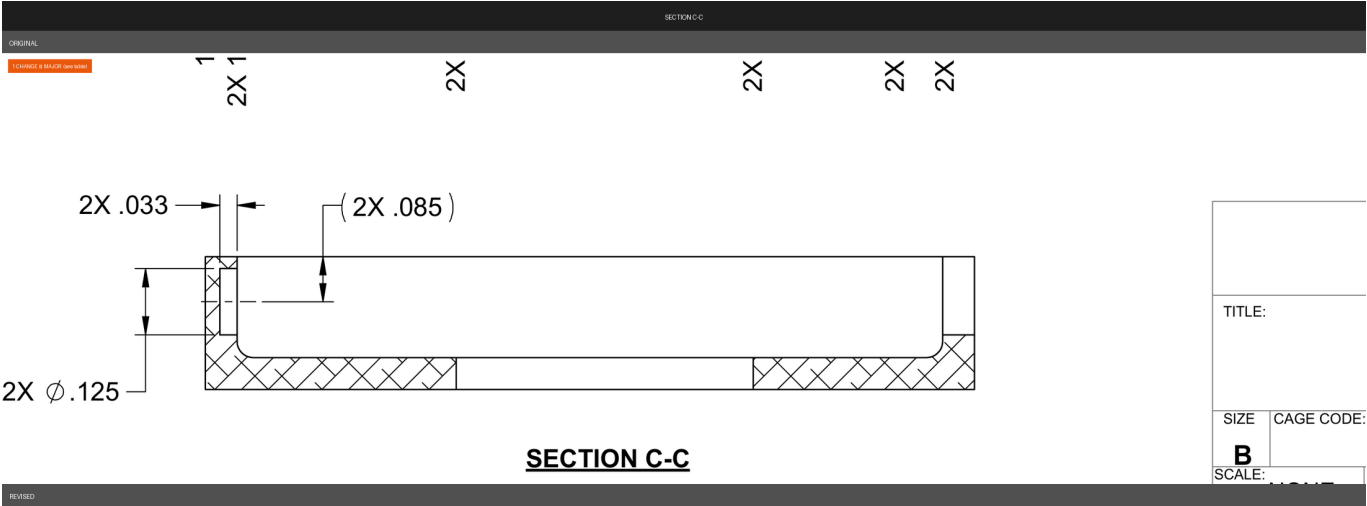

#	Component / Area	Description of Change
Insert specification text changed from HELICOIL to HELICAL INSERTS.	Insert specification text changed from HELICOIL to HELICAL INSERTS.	Insert specification text changed from HELICOIL to HELICAL INSERTS.
16X R.030 radius callout was removed from the revised drawing.	16X R.030 radius callout was removed from the revised drawing.	16X R.030 radius callout was removed from the revised drawing.

SECTION A-A [MATCHED]

#	Component / Area	Description of Change
New reference callout for 4X R.030 corner radii was added to the pocket features.	New reference callout for 4X R.030 corner radii was added to the pocket features.	New reference callout for 4X R.030 corner radii was added to the pocket features.
The 2X .190 width dimension at the top of the view was removed.	The 2X .190 width dimension at the top of the view was removed.	The 2X .190 width dimension at the top of the view was removed.

SECTION C-C [MATCHED]

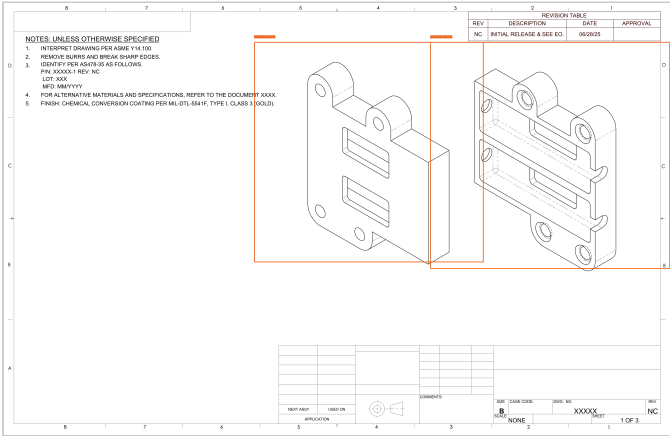

#	Component / Area	Description of Change
New radius callout 4X R.030 added to corner features in the section view.	New radius callout 4X R.030 added to corner features in the section view.	New radius callout 4X R.030 added to corner features in the section view.
